

# How to Enroll

The basic steps of enrolling in a Community Care, Inc. program

1

## CALL YOUR LOCAL ADRC (Aging & Disability Resource Center)

Find the Aging and Disability Resource Center in your area, and let them know you are interested in long-term care options.

## OPTIONS COUNSELING IS PROVIDED

2

The ADRC will meet with you and explain the programs and long-term care options available. Tell the counselor you are interested in a Community Care program.

3

## FUNCTIONAL & FINANCIAL SCREENING TAKES PLACE

The ADRC will determine your level of care needs and financial eligibility, if you might be eligible.

## CHOOSE WHICH PROGRAM WILL MEET YOUR NEEDS

4

Learn about the Community Care programs offered in your area, and choose the one right for you!

5

## CREATE YOUR CARE PLAN WITH YOUR TEAM

After enrollment in Community Care, meet with your care team to develop a plan that will support your needs and outcomes.
