Community Care's Family Care Partnership Program (HMO SNP)(Community Care) is a Coordinated Care Plan with a Medicare Advantage contract and a contract with the state of Wisconsin Department of Health Services (DHS) for the Medicaid Program. Enrollment in Community Care depends on contract renewal.

The formulary, pharmacy and/or provider network may change at any time. You will receive notice when necessary.

The benefit information is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services, please request the "Evidence of Coverage" by contacting Customer Service at 1-866-992-6600 toll free.

To join Community Care you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Our service area includes the following counties in Wisconsin: Calumet, Kenosha, Milwaukee, Outagamie, Ozaukee, Racine, Washington, Waukesha and Waupaca Counties.

Community Care has a network of doctors, hospitals, pharmacies and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

Thank you for your interest in Community Care's Family Care Partnership Program (HMO SNP). Our plan is offered by Community Care, a Medicare Advantage Health Maintenance Organization (HMO) Special Needs Plan (SNP) that contracts with the Center for Medicare & Medicaid Services (CMS) and the Wisconsin Department of Health Services (DHS). This plan is designed for people who meet specific enrollment criteria.

YOU HAVE CHOICES IN YOUR HEALTH CARE

You can choose from different Medicare options.

One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.

Another choice is to get your Medicare benefits by joining a Medicare health plan (such as Community Care's Partnership Program (HMO SNP)). Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

You make the choice. No matter what you decide, you are still in the Medicare Program. If you are eligible for both Medicare and Medicaid (dual eligible), you may join or leave a plan at any time.

If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <http://www.medicare.gov>.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Community Care is a fully integrated Medicare and Medicaid health and long-term care program for the frail elderly and adults with physical or developmental disabilities. Members receive all Medicaid and Medicare benefits through the Partnership model of care which includes but is not limited to:

- combined Medicaid and Medicare eligibility and enrollment procedures;
- member participation in care planning;
- member and team cooperation in managing care;
- quality management; and
- help with grievances and appeals.

Because you are a member of this Partnership program, your Medicare deductible and coinsurance amounts are paid on your behalf.

Community Care, a Medicare Advantage Special Needs Plan, is a different kind of health plan, providing your health care services in a personal way. We work with you and your family to give the kind of care you need and want. We want you to stay independent and will encourage you to do as much for yourself as possible. We help you to make informed health choices.

Your health care is planned with you and your family or significant others by a special group of people working with you. An Interdisciplinary Team (Team) works with you to identify your goals (outcomes), and develops a Plan to support achievement of these outcomes. As a member of Community Care, you may be responsible for a monthly cost share. This amount is determined by your county Income Maintenance Agency and **must be paid** to keep your eligibility for Medicaid. Community Care will bill you for the cost share each month. (The federal government refers to this as the “post-eligibility treatment of income.”).

If you reside in substitute care, you **must also pay** for room and board. Community Care will bill you for the room and board each month.

Providers may not bill you for covered benefits that were authorized by Community Care and received while you were enrolled in our plan. Providers may bill you for non-covered services that you have agreed to pay.
