SCREENING FOR DEMENTIA IN PERSONS WITH AN INTELLECTUAL DEVELOPMENTAL DISABILITY

THURSDAY, FEBRUARY 7, 2019, 8:00AM - 1:00PM

WisconSibs, Inc., 211 E. Franklin St., Appleton, WI 54911 (Training will take place in the Lower Level meeting room)

PURPOSE:

Gain working knowledge on how to effectively use the NATIONAL TASK GROUP - EARLY DETECTION SCREEN FOR DEMENTIA (NTG-EDSD) tool with persons living with an Intellectual Developmental Disability.

TARGET AUDIENCE:

Wisconsin Family Care, Partnership, and PACE managed care organization (MCO) supervisors and case managers; Adult Family Home providers; day services providers; supported employment providers; and other professionals that deliver assessment, care, and case management services.

PLEASE NOTE:

All registrants must agree to participate in WAI's evaluations and grant intervention of using the NTG-EDSD tool with consumers.

REGISTRATION INFORMATION:

No cost to attend, lunch is included and registration is required. Register online at:
<https://tinyurl.com/yb5f9tpd>

FOR MORE INFORMATION:

Contact Molly Schroeder, Wisconsin Alzheimer's Institute, at (608) 262-6910 or mjschroeder3@wisc.edu.

WHAT TO BRING TO THE TRAINING:

This training will involve direct application of the NTG-EDSD tool; please come with a case example in mind of someone you are currently working with.

CEU CREDIT AVAILABLE

The University of Wisconsin-Madison, as a member of the University Continuing Education Association (UCEA), authorizes this program for up to 0.35 continuing education units (CEU's) or 3.5 hours.

PARKING

Parking is available in the lot adjacent to the building, otherwise there is parking available on the street.
