Community Care, Inc. to Begin Certification Process to Deliver Family Care in Dane County

BROOKFIELD, Wis. (Dec. 20, 2019) Community Care, Inc. announces plans to pursue certification to deliver services within Wisconsin's Family Care program in Dane County. Community Care, Inc., currently contracts with the state to deliver the Family Care program to more than 10,000 Wisconsin residents in 14 counties including Calumet, Fond du Lac, Kenosha, Manitowoc, Milwaukee, Outagamie, Ozaukee, Racine, Sheboygan, Walworth, Washington, Waukesha, Waupaca and Winnebago. Community Care began providing Family Care services in 2007 in Racine and Kenosha Counties.

"Community Care, Inc.'s expansion into Dane County allows us to further our mission to provide high-quality care to help individuals remain in the community," said Kenneth Munson, chief executive officer. "We are grateful to the Wisconsin Department of Health Services for the opportunity to deliver Family Care Services helping older adults and adults with disabilities to live as independently as possible."

Community Care, Inc. is a regional, state-certified Managed Care Organization with more than 40 years of experience helping adults with long-term care needs connect with the services they need to remain in their own homes and foster independence.

The certification process will begin immediately and Community Care, Inc. expects to begin providing Family Care Services in Dane County in May 2020.

Community Care, Inc., headquartered in Brookfield, Wis., is a private nonprofit organization that serves the long-term care and health needs of more than 10,000 older adults and adults with physical or intellectual disabilities. Founded in 1977, Community Care is the only Wisconsin managed care organization to offer all three programs of Family Care, Family Care Partnership and Program of All-Inclusive Care for the Elderly (PACE).
