

PPE Grant for Wisconsin Residential Providers Serving Family Care, Partnership, PACE and IRIS

This project is funded through a supplement to the Hospital Preparedness Program (HPP) Cooperative Agreement (U3REP190586) from the Assistant Secretary for Preparedness and Response (ASPR).

Grant funds are available to partially offset past, current and/or future costs for personal protective equipment for residents and staff resulting from the pandemic.

The State of Wisconsin Division of Public Health is collaborating with managed care organizations to make grant funds available to certified or licensed residential providers who have a valid contract with one of the following managed care organizations:

- Community Care
- iCare
- Inclusa
- Lakeland
- MyChoice Wisconsin

Facilities eligible to apply for grant funds include:

- Certified Adult Family Homes
- Licensed Adult Family Homes
- Community Based Residential Facilities (CBRF)
- Residential Care Apartment Complexes (RCAC)

The amount of funding available is based on the number of qualified individuals in residence at the time the grant application is submitted. Eligible residents must be enrolled in one of the following programs:

- Family Care
- Family Care Partnership
- PACE
- IRIS

Online Application Process

The application process may be completed using the website located at:

<http://wispppegrant.com/>

Application Timeline

- Application Process Begins - March 8, 2021
- Application Process Ends – April 2, 2021

Payments will be distributed by managed care organizations. If you have a contract with more than one managed care organization, you will need to select one. Your chosen managed care organization will distribute grant funding which includes all of your qualified residents.

Please direct your questions about the application process to:

Edward.kohl@communitycareinc.org

Funding paid under this grant will be included on 1099s provided by MCOs to recipients. Please consult your tax professional to determine tax and audit implications.
